The Alliance of Coalitions for Healthy Communities is the largest substance abuse prevention organization in Oakland County. With your sponsorship we will be able to effectively help students, individuals and families with the following programs this year:

Keep Them Safe, Keep Them Healthy! – Student and community program on the dangers of substance abuse utilizing education and personal stories, empowering individuals to make healthy choices.

Resolve – Comprehensive life skills training program for people in recovery. Prevents relapse and prepares participants to overcome barriers by addressing the health and well-being of the whole person.

All sponsored dollars help the Alliance deliver essential and comprehensive programs which give individuals the opportunity to lead a healthy and successful life. A banner will be showcased at our upcoming Legacy Gala this November 29th, 2018. We thank you for your support and generosity.
